NEW QUESTION: 1

When a client has purchased securities on margin, the broker-dealer

- A. must keep the securities that the client paid cash for separate from the securities that the client purchased on margin.
- B. may require that the client leave all his securities, even those not purchased on margin, in street name.
- C. Both B and C are correct statements.
- D. may use any securities that the client purchased on margin as collateral for a loan from a bank upon receiving a written agreement signed by the client.

Answer: C

Explanation:

Explanation/Reference:

Explanation: A broker-dealer is required to keep any securities a client paid cash for separate from the securities that the client purchased on margin, and upon receiving a written agreement signed by the client—a hypothecation agreement—may use those securities that were purchased on margin as collateral for a loan from a bank. The broker-dealer may not require that a client leave securities purchased through cash

transactions in street name.
