NEW QUESTION: 2
Who should be recommended to support the Senior Responsible
Owner in his/her responsibility for the delivery of the
management system?
A. the Change Advisory Board (CAB)
B. the senior customer representative
C. a decision taking group
D. the service managers
Answer: C
Explanation:
A. Correct. The standard states that the Senior Responsible
Owner should be supported by a decision taking group with
sufficient authority to define policy and to enforce decisions.
B. Incorrect. The Change Advisory Board is an important group
with a specific function which is not as wide as the management
system.
C. Incorrect. The senior customer representative may provide
input to requirements for the management system but will not be
responsible for its delivery.
D. Incorrect. The service managers will implement the
management system that is the responsibility of the Senior
Responsible Owner.
